

MAGNETIC RECTANGULAR BLOCKS

HARDENED SURFACES

HIGH PRECISION

STRONG MAGNETIC FORCE

- For grinding, light milling, drilling and inspection of round and square jobs
- Hardened, high accuracy, strong magnetic force
- Working surfaces are hardened to HRC58-62
- Magnetic force on top, bottom and back sides
- Supplied in matched pair

Code	Size (LxWxH)	Magnetic force	Parallelism of top to bottom side	Squareness of top and bottom to back side	Height difference of a matched pair
6898-100	100x70x70mm	100kgf	10µm	10µm	10µm
6898-150	150x70x85mm	125kgf	10µm	10µm	10µm
