

TTX 110 Core Thermometer Thermocouple Type T

Thermocouple thermometer with fixed probe

TTX 110 Thermocouple thermometer with fixed probe

Product Description

- Fast measurements, high accuracy
- HACCP
- Robust and impact resistant
- Replaceable battery

Part No.: 1340-5110

Technical data

Measuring range	-50 °C...+350 °C
Accuracy	± 0.8 °C or ± 0.8 % whichever is greater
Resolution	0.1 °C from -60 °C...+199 °C otherwise 1°C
Operating Temperature	-20 °C...+50 °C
Storage temperature	-30 °C...+70 °C
Measured variables	temperature
IP Rating	IP55
Battery	Lithium 3 V , type CR 2450
Battery lifetime	approx.100 h when used continuously
Dimensions	90 x 20 x 42 mm
Weight	approx. 40 g
Certificate	Factory calibration certificate

Accessories

AG 190

Punching pin for deep-frozen food

Part No. 1341-3834

TTX-WM

Stainless Steel Bracket for TTX 110

Part No. 1340-5040

Calibration

ISO-calibration

ISO-calibration

Part No. 1020-3590
