

## Side Cutting Pliers

150mm CP-150HG / 175mm CP-175HG / 200mm CP-200HG JIS

- For electric works.
- For cutting wire, bending metal sheets and so on.
- PVC dipping grip version : [CP-150/175/200](#)

### Specifications

- Material | Carbon steel for machinery (S58C)
- Heat Treatment | Oxide-free heat treatment, Induction hardening on edge
- Body hardness [HRC] | 42~50
- Edge hardness [HRC] | 58~64
- Handle cover | PVC molded grip
- Surface treatment | Anti-rust oils
