

**YUYANG INDUSTRIAL CO., LIMITED**

China Manufacturer of Fire Testing Equipment

## 20KN 2T Compressive Strength Test Machine For Paper Container / Carton Package

- **Product Details:**

- Place of Origin: **China**
- Brand Name: **YUYANG**
- Certification: **GB/T4857.4 GB/T4857.16 ISO2872、ASTM D642**
- Model Number: **YY1408**

- **Payment & Shipping Terms:**

- Minimum Order Quantity: **1 set**
- Price: **Negotiation**
- Packaging Details: **Plywood Case**
- Delivery Time: **15-20 work days**
- Payment Terms: **T/T L/C Western Union**
- Supply Ability: **2 sets per month**
- Share to :

## **20KN 2T Paper Container Carton Package Compression Testing Equipment**

### **Description:**

Paper Container Carton Compression Testing machine is used for measuring the pressure strength of cartons, containers, etc. for inspecting the pressure-resistance and strike-endurance of packing materials during transportation or being carried, and it can be used to do the stacking test. The result of the test can be used as the important reference of the height of the pilling up of the finished product or the important basis of the packing design.

**Features:**

1. Taiwan AC frequency conversion motor drive;
2. Using common screw to up and down, result is accurate and stationary;
3. Using the high precision explosion-proof type LOAD CELL;
4. Measure by using the microcomputer controlled instrument;
5. Can print test data;
6. High precision, low prices;
7. High sensitivity, can judge the instantaneous

**Specification:**

Model	YY1408
Capacity (optional)	20KN 2T
Unit (switchable)	N, KN, Kgf, Lbf, Mpa,Lbf/In2, Kgf/mm2
Load resolution	1/25,000
Load accuracy	±1%
Load magnifying rate	stepless
Test space	1000x1000x1200mm
Test speed	5~100mm/min
Stroke resolution	0.001mm
Software	Microcomputer control
Motor	AC motor
Dimension (WxDxH)	1950x1200x2000mm
Weight	1550kg
Power supply	AC220V 5A or specified by user
