

## **DLRB-900A Modular flexible production system**

### Overview

- To learn pneumatic, electro pneumatic, engineer control, sensor and mechatronic by this system

### ■ Technical Parameter

- Total dimension: 3600×790×1280mm
- Input power: single-phase, three-wire AC 220V±10%

50Hz/60Hz

- Capacity: < 5KVA
