

DLLYS-QTD351 Five Floors Elevator Teaching Training Set

■ Technical parameter

- The input power: AC220V±10% 50Hz
- Rated power: 1 kW or less
- Environmental temperature: -10°C~40°C
- Relative humidity: 85% or less
- Physical size: 900×650×2680mm (length * width * high mm)
- PLC (programmable logic controller): Siemens S7-200
- Variable frequency device: MM420

- Tractor power: 90W/380V
- Layer: five layer × Three set
- Control mode: switch quantity/digital quantity double control and VVVF technology
