

## Channeling Capper For Cylindrical Supercapacitor And Lithium-Ion Battery

Suitable for the channeling sealing of cylindrical supercapacitor and lithium-ion power battery.

- Brand:TOB NEW ENERGY
- Item No.:TOB-GC-2235-075
- Order(Moq):1set
- Payment:L/C,T/T,Western Union, Paypal
- Product Origin:China
- Shipping Port:XIAMEN
- Lead Time:7days

### Product Detail

## Channeling capper for cylindrical supercapacitor and lithium-ion battery

## SPECIFICATIONS

---

### Functional overview

Suitable for the channeling sealing of cylindrical supercapacitor and lithium-ion power battery.

### Functional characteristics

1. Adopt precision guide rail modules for positioning, with high precision of the channeling sealing position.
2. Adopt cam mechanism, with stable and even channeling sealing.
3. PLC program control. With high production efficiency.
4. The whole machine has compact structure, small noise and stable property.

### Technical parameters

Product specification	φ22~35mm(customized)
Capacity	0~10ea/min
Power source	AC220V/50Hz, Power:0.75kW
Overall dimensions(LxWxH)	980 x 780 x 1200mm
Weight	300kg
