

Pole Piece Punching And Cutting Machine

Suitable for punching and cutting of supercapacitor and lithium ion power battery' s positive and negative pole pieces.

- Brand:TOB NEW ENERGY
- Item No.:TOB-FKC60-2N
- Order(Moq):1set
- Payment:L/C,T/T,Western Union, Paypal
- Product Origin:China
- Shipping Port:XIAMEN
- Lead Time:7days

Product Detail

Pole Piece Punching and Cutting Machine for punching and cutting of supercapacitor and lithium-ion power battery

SPECIFICATIONS

Functional overview

Suitable for punching and cutting of supercapacitor and lithium ion power battery' s positive and negative pole pieces.

Functional characteristics

- 1.Adopt PLC control system to ensure stable and reliable system operation, and simple operation.**
- 2.Colorful touch screen displays operation. Equipment parameter setting and browsing are concise and visualized.**
- 3.Rack is welded by high-quality steel forgings, with firm welding and smooth polishing.**
- 4.Equipped with safety light grid and protective door, with safe and reliable equipment operation.**

Technical parameters

Punching accuracy	±0.1mm
Punching speed	30pcs/min
Burr	<0.01mm
Power source	AC220V/50Hz
Air source	≥0.6MPa
Overall dimensions (LxWxH)	1650x900x 1600mm
