

0-10V Battery Voltage Sorter Tester

1 TOB-0918 Battery voltage tester is a Voltage sorter with single-chip control of portable test instrument, This voltage tester is with a voltage limit set and automatic judging function, we can set the voltage in the range or out the range alarm function.

2 Battery Voltage test sorter can be used for testing battery open circuit voltage and reverse polarity testing purpose for lithium battery and lead-acid battery manufacturers. Intelligent judgment by voltage test sorter can eliminate the human error.

- Brand:TOB NEW ENERGY
- Item No.:TOB-0918
- Order(Moq):1
- Payment:L/C,T/T,Western Union
- Market Price:\$150
- Price:\$150/SET
- Product Origin:China
- Shipping Port:XIAMEN
- Lead Time:7

Product Detail

0-10V Battery Voltage Sorter Tester With Battery Low/High Voltage Alarm For All Kinds Of Batteries

SPECIFICATIONS

1 TOB-0918 Battery voltage tester is a Voltage sorter with single-chip control of portable test instrument, This voltage tester is with a voltage limit set and automatic judging function, we can set the voltage in the range or out the range alarm function.

2 Battery Voltage test sorter can be used for testing battery open circuit voltage and reverse polarity testing purpose for lithium battery and lead-acid battery manufacturers. Intelligent judgment by voltage test sorter can eliminate the human error.

Model	Battery Voltage Tester TOB-0918
Source voltage	AC110V/220V 50/60HZ
Power	20W
Warranty	One year limited warranty with lifetime support
Voltage test range	0-9.99V
Accuracy	10mV
Display	English LCD display
Weight	1kg
Dimension	200*170*65mm

PACKAGE AND SHIPPING

- 1 Standard exported package : Internal anticollision protection, external export wooden box package
- 2 Shipping by express, by air, by sea according to customer's requirements to suggest the most suitable shipping mode
- 3 Responsible for the damage during shipping process, change the damage part for free
- 4 Supply with suitable voltage input and power plug according to customer's country requirements.

SERVICES

- 1 We supply machines with battery technology support.
- 2 We can also supply a full set of materials for lithium battery including polymer battery, cylinder battery, mobile phone battery, EV battery.
- 3 We can also supply a full set of lithium battery equipment for lab research, pilot scale research and production line.
- 4 We can also supply a full set of battery technology for battery design, research and producing.

We cooperated with each other, and we will do TOP OF THE BEST battery
